605 Sheds or its sales agents are not responsible for any building permits, association covenants and/or set-back requirements. It is up to the customer to research and purchase required permits prior to ordering. Drivers and set crews are not responsible for damage to sprinkler systems, driveways, underground utilities and/or lawn and landscape damage. Fees will apply if delivery is attempted but cannot be completed. Fees will also apply if drivers have to return to re-set or adjust placement. Buildings can be relocated, ask for pricing. Customer must advise drivers or dispatch of non-conductive delivery conditions prior to delivery. All sales contracts are binding between the buyer and 605 Sheds/Rent-to-Own Storage, not the sales agent.
